For Private Investing, Rely on the Same Source the Pros Use.

When you subscribe to Dow Jones Market Monitor, you'll find the latest quotes, news and financial information on your home computer. Information from Dow Jones, the most trusted source on Wall Street. Dow Jones Market Monitor is available during the hours you devote to your personal portfolio. Access Dow Jones Market Monitor **between 7:01 p.m. and 6:00 a.m.** your local time, Monday through Friday. Plus every weekend and on many major holidays. Use Dow Jones Market Monitor for up to 8 hours a month for a low, monthly charge of \$29.95.

That means value plus the time you need to truly explore investments. Follow up on hot tips. Focus on your decisions. Reflect...research...evaluate...without worrying about the cost.

Harness the Power of World-Class Information.

Manage your portfolio more confidently, knowing the information you're using can't be topped. Dow Jones Market Monitor gives you comprehensive and reliable financial information that looks as good in the morning as it did the night before. **Eighteen major sources** give you myriad choices—from business and world news to company and industry information to quotes, statistics and commentary. So you can:

- *React quickly and decisively to changing market conditions with...* behind-the-scenes stories and market-moving news from five **exclusive** Dow Jones newswires as well as the current day's *The New York Times* beginning June 1994.
- *Focus sharply on your investment decisions with...* *The Wall Street Journal*, *Barron's* and more than 500 other important business publications. Find just the articles you need by asking in plain English.
- *Assess the value of stocks, mutual funds, bonds and other investments...* Obtain a year's worth of daily stock and mutual fund quotes as well as two years of weekly stock quotes and monthly and quarterly stock quotes back to 1979. Evaluate a stock with company profiles comprised of key fundamental statistics, earnings per share, P/E ratio, yield and more.

- *Make informed decisions using...* abstracts of analysts' research reports on national and international companies.

There's More if You Want It.

Dow Jones Market Monitor presents every source investors cite as essential. However, you may choose to access any of the more than 1,700 information sources available through the Dow Jones News/Retrieval information service or tap into Dow Jones Market Monitor sources between 6 a.m. and 7 p.m. local time. If you do so, your monthly statement will reflect additional charges.

Start Today and Receive Four Months for the Price of Three.

AT WORK.

Relentless Competition Demands the Sharpest Business Decisions.

Business decisions are only as good as the information you base them on. Be sharp. Use your computer to get top-notch information from Dow Jones News/Retrieval, a comprehensive service from the publisher of *The Wall Street Journal*®. You'll gain a powerful business advantage: **current, comprehensive news** — much of it exclusive — that keeps you ahead in today's business environment.

Instantly access what no other electronic publisher can bring you: the full text of *The Wall Street Journal*. The world's most respected business publication. Or choose from Dow Jones' library of more than 1,700 business and financial information sources. Including some key publications you should not be without, such as current-day text of *The New York Times* beginning June 1994.

Tailor information for corporate planning, product development, competitive intelligence, sales prospecting and more. And if you choose, have it *automatically* collected for you. Also available: easy-to-use, free software.

Good, Strategic Moves Begin With Dow Jones Information.

Dow Jones News/Retrieval puts business, financial and economic information at your fingertips. It lets you:

- *Get the upper hand with exclusive, late-breaking national and international news.* With exclusive Dow Jones newswires at the core of News/Retrieval, you'll always know about and be able to react quickly to late-breaking developments everywhere.
- *Save time and reduce overload with business news that's collected for you.* An automatic clipping service continuously scans more than a thousand sources and retrieves **only the information that matches your interest**—24 hours a day.
- *Stay on top of your clients' needs and your competitors' moves with News/Retrieval's business library.* *The Wall Street Journal*, *Barron's* and **39 of the top 50 U.S. newspapers** ensure that no significant news will get past you. You'll also find *Business Week*, *Forbes*, *Fortune* and 1,400 other

national, regional and international trade journals, newspapers and magazines. Plus, unedited press releases from companies, industry associations and government agencies.

- *Pinpoint your competitors' strengths and weaknesses.* See how your competitors stack up in relation to your industry. Gauge company performance with financial information, including price, volume and fundamental data on more than 5,400 companies and 180 industries.
- *Boost your analytical capabilities.* Assess the value of investments with current and historical information. Check on common and preferred stocks, mutual funds, corporate and foreign bonds, U.S. Treasury issues and options.
- *Keep strategies on track and records in order with Dow Jones® Software.* Maximize the effectiveness of News/Retrieval with Dow Jones' technical-analysis and spreadsheet-utility software. Programs connect smoothly to News/Retrieval so you can collect price histories, sales summaries, financial ratios, balance-sheet figures, international business statistics and more. Available for both Macintosh and PC-based computers.

Act Now and Get Three Free Hours.
